ABOUT THE PARENT INSTITUTE

Rayat Shikshan Sanstha, established in 1919 by Karmaveer Bhaurao Patil, is one of the leading educational institutions in India. Karmaveer, a great humanitarian, realized that only education can end the misery, ignorance and enlighten the lives of many. He laid the foundation of our parent institute with a noble purpose o provide education of the down-trodden, the poor and the ignorant class of society. Following the footsteps of Padmabhushan Dr. Karmaveer Bhaurao Patil, our sanstha is progressing in many fields.

ORGANISING INSTITUTES

Yashavantrao Chavan Institute of Science, Satara is an Autonomous college and is one of the leading institutes of Maharashtra, imparting quality education with a clear focus on achieving excellence in the field of teaching, learning and research. Our institute is the largest science institute in the affiliations of Shivaji University, Kolhapur. The last fifty years, the Institute has not only scaled academic heights but also made its impact felt at state and national level securing A+ grade with CGPA 3.57 in 3rd cycle reaccreditation by NAAC, Bangaluru. It has also received the status of College with Potential for Excellence from University Grants Commission, Star Scheme by Department of Biotechnology, FIST by Department of Science and Technology, New Delhi, Best College Award for NSS Unit by Government of Maharashtra and Shivaji University, Kolhapur, Academic Excellence Award by Shivaji University, Kolhapur, Best College Award by Rayat Shikshan Sanstha, Satara.

In addition to the traditional B.Sc. the institute runs several professional courses such courses as Animation Science, Forensic Science, Nano Science and Technology, Computer Science, Biotechnology, BCS, Food Processing and Packaging. Students also have the opportunity to pursue M.Sc. in Botany, Microbiology, Zoology, Physics, Chemistry, Statistics, Mathematics, Electronics and Biotechnology. At present the Ph.D. recognized faculties offer guidance to students in various disciplines. The research achievements of the faculties have received national and international recognition.

Chhatrapati Shivaji College, Satara was founded in June 1947 by the visionary educationist Dr. Karmaveer Bhaurao Patil with a view to open the vistas of higher education for the people of mofussil areas of Maharashtra. In the third cycle it is accredited at 'A+' with a cumulative score of 3.51. College has received the status of College with Potential for Excellence by The UGC and Lead College by Shivaji University, Kolhapur.The high number of merit holders reflects the outcome of teaching, learning and evaluation. 614 students (from 1996) are placed as Maharashtra Government's officer through the examinations held by Maharashtra Public Service Commission. The college has received awards for its magazine Shivvijay consecutively for 6 times as the best magazine in Shivaji University and two times awards by Yashawantrao Chavan Pratishthan, Mumbai. The College has received State level First Prize and University level First Prize in Jagar Janivancha Abhiyan conducted by the Government of Maharashtra.

Each college takes efforts for fulfilling our vision of offering quality education to youth and inculcating 'Rayat Culture' in them.

ABOUT THE CONFERENCE

Rayat Shikshan Sanstha in the centenary year (2019) stands for and strives to bring the founder father's dream into reality. It has been expanding relentlessly across Maharashtra with new innovative projects, ideas and collaborations with national, international institutions transforming the youth into skilled and ready to face the global challenges workforce.

The conference will enable gathering of the renowed academicians/ scientists, entrepreneurs, research students to exchange the new ideas in the field of chemistry. It will enlighten the participants about new trends in chemical sciences for sustainable development. This event will create the awareness about the environmental hazards posed by responsible use of chemicals, pesticides, dyes and nano materials. The deliberations may find the solutions and prepare interdisciplinary pathway of research towards green environment.

Theme for the Conference:

- Non-Chemical Interventions of Water Purification
- Green Synthesis
- Benign Batteries and Energy Storage Devices for 21st Century
- Smart material Synthesis, Catalysis, Applications
- Plant based Dyes for Green Synthesis
- Nano-Materials for clean Chemistry and dark side of Nano-Materials
- Phytochemicals for Green Synthesis
- Non-polluting Fertilizers, Pesticides and Growth Promoters
- Food and Fruit Processing and Packaging in Greener Way
- Chemical Intervention in Bio-energy Production
- Electronic devices
- Drugs, Abuse Prevention and Processes
- Macro Molecules
- Chemistry and Diseases
- Dark Perceptions of Industrialization
- Cosmetic Chemistry
- Theoretical and Computational Chemistry
- Environmemt Polution and sustainable development
- ETC.

CALL FOR THE PAPERS :

Insightful papers focusing on the theme of conference are invited.

- The abstract should include title of the paper, Authors name, affiliation and postal address with email id. Abstract (limited to 300 words, in MS word format, Times New Roman, Font Size 12)and send to E-Mail:iccee19@gmail.com by January 25, 2019.
- Selected authors will be communicated to submit soft copy of full paper in A4 size MS word format, Times New Roman, Font Size 12 with 1.5 line spacing) as a word file and send to E-Mail: iccee19@gmail.com
- All the selected papers will be published in Peer reviewed and UGC listed journal with ISSN no.
- Note for plagiarism and ethics:
  Paper will be accepted only when it has not been published, copyrighted, presented or accepted elsewhere.

IMPORTANT DATES

Start Date for Abstract Submission	01 December 2018
Last Date for Abstract submission	20 January 2019
Acceptance Notification	25 January 2019
Last Date for Full paper Submission	05 February 2019

REGISTRATION FEES

	Early Bird Reg. Before 25th January 2019	US $	After 25th January 2019 up to 1st February 2019	US $
UG/PG Students	Rs. 500/-	10	Rs. 700/-	15
Research Scholars	Rs. 1000/-	15	Rs. 1500/-	25
