Yashavantrao Chavan Institute of Science, Satara

INTERNATIONAL CONFERENCE ON RENEWABLE ENERGY AND HYGIENE DEVICES.

5TH and 6th March 2018.

Schedule

Date 5th March 2018.

Registration	11.am to 12. Noon.
Poster presentations	1.00 pm to 3.00 pm
Inauguration function	3.30.p.m.
Session I	4.00 p.m.

Ashok Joshi – executive director at Technology Holding LLC, located in Salt Lake City, Utah, USA. Leadership lessons.

Session II 5.00.p.m.

PramodNayate - Registered Professional Engineer State of Illinois Manufacturing of Rockets and presentation of guided tour of space shuttle given by Sunita Williams.

Date 6th March 2018

Session III 9.30 p.m.

Krista Carlson, Ph.D. Assistant Professor ,Metallurgical Engineering Department, University of Utah

Electro catalytic water using Black Titania

Session IV 10.30 a.m.

Dr .SwomitraMohanty, Department of Chemical engineering, Department of Metallergucal engineering ,University of Utah ,USA

Detection of food derived volatile compounds using metal functionalized Titanium Dioxide Nanotube arrays

Session V 11.30 a.m. Dr Dinesh P.Amalnerkar

Brain-Pool Invited Scientist
Institute of Nano Science &Technology,Hanyang UniversitySeongdong-gu,Seoul 04763, SOUTH KOREA
Nanostructured Biphasic Molybdenum Sulphide and Molybdenum Oxide: Inorganic Pathways to Biofilm Inhibition and Bactericidal/Fungicidal Action for Biomedical Devices and Body-Implants

Lunch break 12.30 to 1.30

Session VI 1.30 to 2.30 Dr. B.Bharat Kale , Director C-MAT Pune
Energy materials and storage.

Valedictory function 2.30p.m onwards.
