About the Sanstha

Established in year 1919 by a great visionary Karmaveer Bhaurao Patil our parent institute The RayatShikshanSanstha, Satara is gearing up to celebrate the centenary year in 2019. What started as a small hostel for boys is now one of the largest educational institution in the continent of Asia. Today the Sanstha caters to the needs of more than 5 Lakh students through a dedicated staff of about 18 thousand which look after 675 branches including PG departments, colleges, schools, hostels and offices.

About the college

Our institute Yashavantrao Chavan Institute of Science, is largest science institute not only in the Sanstha but in the affiliating Shivaji University, Kolhapur too. During last fifty years, the Institute has not only scaled academic heights but also made its impact felt at state and national level with A+ grade with CGPA 3.57 in third cycle accreditation by NAAC, Bangalore. It has also received the status of College with Potential for Excellence from UGC, Star Scheme by Department of Biotechnology, FIST by Department of Science and Technology, New Delhi, Best College Award for NSS Unit by Government of Maharashtra and Shivaji University, Kolhapur, Academic Excellence Award by Shivaji University, Kolhapur, Best College Award by Rayat Shikshan Sanstha, Satara.

At present, the Institute offers programmes from 11th std to Ph.D. In addition to the traditional B.Sc. it runs several professional courses such as Animation Science, Forensic Science, Nano Science and Technology, Computer Science, Biotechnology, BCS, Food Processing and Packaging. Students also have the opportunity to pursue M.Sc. in Botany, Microbiology, Zoology, Physics, Chemistry, Statistics, and Mathematics. To prepare the students to face the global employability challenges, the Institute conducts thirty seven career oriented courses.

About the Conference :

Keeping in view the need of the areas in which the human race has to concentrate and find solutions to the current and upcoming problems related to energy and pollution including hygiene. Different researchers and Governments including that of our country are taking efforts to carry out work in these two fields. Keeping in view the importance an conference is being organized by our college entitled "Recent advances in Renewable energy and Hygiene devices".

Call for Papers :

Abstracts and full length papers in the following areas are being invited for poster presentation and publication in refereed journal having ISSN numbers and approved by UGC.

Online Submission -
Registration, Papers & Abstracts

Website http://confe.ycis.ac.in

Important Dates :

Submission of abstract along with registration fees 25 February Registration along with fees 25th February 2018 On the spot registration with late fees available.

Thrust areas :

- Photoelectrical cell
- Supercapacitor
- Energy sources for 21st century
- Solar harvesting through smart material
- Low cost technology in energy storage
- Clean development
- Renewable conversion technologies
- Appropriate technologies for sanitation and waste management
- Biomimicry for energy generation
- Bioremediation
- Environmental Remedies for:

I. Water Pollutions
II. Industries Effluents
III. Municipal and Metropolises
IV. Hygienic Devices
V. Solid Waste Management
VI. Air Pollutions
VII. Sound Pollutions

Registration Fee :

Delegate Type	Indian	Foreign
Students/Research Scholars (PG/Ph.D)	Rs.1000	$15
Faculty Members	Rs.1500	$ 25
Industry Delegates	Rs.3500	$ 30

Online Payment Details :

Account Details:

AC Name : Principal YASHAVANTRAO CHAVAN INSTITUTE OF SCIENCE, SATARA.
